

**The Hiring Manager**

**AstraVision Creative Studios**

12th Floor, Polaris Tower, Makati City

Dear Hiring Manager,

I am writing to express my interest in the **Graphic Designer** position at **AstraVision Creative Studios**. With a background in **Computer Science** and over three years of experience in **graphic design and front-end development**, I bring a unique blend of technical skill and creative vision that aligns perfectly with your company's innovative design culture.

During my tenure at **Lumina Digital Agency**, I designed and developed over 15 responsive websites using React.js, HTML5, and Tailwind CSS—enhancing load speed and engagement by more than 30%. I also created motion graphics and interactive interfaces that increased user retention by 18%. My collaborative work with UX teams and clients resulted in 98% satisfaction ratings and project deliveries ahead of schedule.

I am proficient in **Adobe Creative Suite (Photoshop, Illustrator, InDesign, XD, After Effects)**, **Figma**, and **Webflow**, allowing me to execute versatile design projects across print and digital media. I also hold certifications from **Adobe**, **Google**, and **Meta**, reflecting my commitment to continuous learning and professional excellence.

I am particularly drawn to AstraVision's mission of combining artistry with technology to deliver cutting-edge design solutions. I am confident that my creative problem-solving skills, technical expertise, and passion for visual storytelling will make me a valuable addition to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to AstraVision's future projects.

Sincerely,

**Niña May Milallos Tayo**
